Subject: RE 1st Page Proposal??

Hi,

I was looking at your website and realized that despite having a great design; it was not ranking high on any of the search engines (Google, AOL, and Bing) for most of the keywords related to your business.

Do you want more targeted visitors on your website?

We can place your website on the 1st page of Google, Yahoo and a better presence on Facebook, LinkedIn, YouTube, Instagram, Pinterest etc..

May I send you a quote?

Kind Regards,
natthu
